E-registration platform for vessels

The goal of E-registration platform for vessels is to simplify registration and operation procedures for boats and vessels. Certain type of vessels must be e-register by 15 May of 2019

These categories are the following:

1. Private and professional Greek pleasure boats
2. Professional small cruise ships
3. Professional pleasure boats that they fly with a flag of an EU country and in certain cases vessels with a flag of a non-EU country

The registration of private pleasure boats must be carried out by the boat owner or the usufructuary. The deadline for the submission is 60 calendar days from the registration date, while the deadline for professional vessels or small cruise ships is 15 calendar days from the registration date.

Hellenic Cadastre

Individuals and legal entities who own property rights or other registrable to the Book of Cadastre right must submit the declaration of L. 2308/1995. This liability belongs to owner of the real estate property who has ownership (full or bare) and every beneficiary of any other registrable right. The declaration concerns all real estate properties. In cases in which real estate property is owned by many individuals, declarations have to be filled by all owners. The declaration can be submitted to the Cadastral Survey Office or electronically at (www.ktimatologio.gr) within a 3 month's period. The initial date of this period is decided by the Hellenic Cadastre. This deadline is expanded to 6 months in case of foreign residents.

A.D.R&F.I.D Content

1. The first annual electronic return contains assets and their acquisition value in case it is available.
2. The least amount of cash out of bank accounts that must be reported in the A.D.R./F.I.D. is increased from € 15,000 to € 30,000. Furthermore, the least amount of movable items of significant value is risen from 30000€ to 40000€
3. The return is submitted by the individual and have to be approved by the spouse, with regards to such's person own information. Both of them must verify the assets of their child. In case in which there are separated spouses, then the same procedure have to be done

About Ecovis

Ecovis is a leading global consulting firm with its origins in Continental Europe. It has over 5,000 people operating in over 60 countries. Its consulting focus and core competencies lie in the areas of tax consultation, accounting, auditing and legal advice. The particular strength of Ecovis is the combination of personal advice at a local level with the general expertise of an international and interdisciplinary network of professionals. Every Ecovis office can rely on qualified specialists in the back offices as well as on the specific industrial or national know-how of all the Ecovis experts worldwide. This diversified expertise provides clients with effective support, especially in the fields of international transactions and investments from preparation in the client's home country to support in the target country. In its consulting work Ecovis concentrates mainly on mid-sized firms. Both nationally and internationally, its one-stop-shop concept ensures all-round support in legal, fiscal, managerial and administrative issues. The name Ecovis, a combination of the terms economy and vision, expresses both its international character and its focus on the future and growth.
