The signing ceremony of the Memorandum of Understanding (MOU) between ECOVIS Korea and Shinhan Bank was held in Korea on the 13th of June, 2017 at Shinhan Bank at Uljiro Headquarters on investment attraction to foreign investment companies in Korea, reporting, taxation and financial services support.

The agreement aims at achieving the goals of the expansion of new inflow route of foreign direct investment and construction of a new attraction platform for foreign investment companies.

Instead of Sungho Wi (CEO of Shinhan Bank), as the representatives of Shinhan Bank, Jiho Jung (Director of Foreign Exchange Department), Daegyung Hwang (Head of Foreign Exchange Department), and Changyong Han (Head of Foreign Exchange Department) attended the ceremony.

As the representatives of ECOVIS Korea, Seungseok Moon (Partner), Cheolhyun Kim (Partner), and Hwanmok Son (Partner) attended.

Shinhan Bank is **the leading bank** in Korea and recorded the highest profitability in the industry for the seventh consecutive year by increasing interest and non-interest income through the stabilization of margins and optimal levels of asset growth. Shinhan Bank has now secured **150 global networks in 20 countries around the world.**

Through this agreement, both entity might facilitate mutual foreign direct investment and support foreign investment companies, support foreign direct investment consulting and financial services, and construct a practical consultation body for collaboration to attract continuing investment.
