Ecovis is a leading global consulting network with its origins in Continental Europe. It has over 12,000 partners and employees operating in more than 90 countries. Its consulting focus and core competencies lie in the areas of tax consultation, accounting, auditing and legal advice. The particular strength of Ecovis is the combination of personal advice at a local level with the general expertise of an international and interdisciplinary network of professionals.

Every Ecovis office can rely on qualified specialists in the back offices as well as on the specific industrial or national know-how of all the Ecovis experts worldwide. This diversified expertise provides clients with effective support, especially in the fields of international transactions and investments - from preparation in the client's home country to support in the target country. In its consulting work Ecovis concentrates mainly on mid-sized firms. Both nationally and internationally, its one stop-shop concept ensures all-round support in legal, fiscal, managerial and administrative issues.

The name **Ecovis**, a combination of the terms **economy** and **vision**, expresses both its international character and its focus on the future and growth.

Ecovis Malaysia was founded in 1999. Ecovis Malaysia is a professional services organisation delivering audit, tax and advisory services to our clients. For over a decade, witnessing the drastic changes hailed by the local economy crisis and faced with various challenges, Ecovis Malaysia not only thrived but also managed to grow from a humble beginning of only two staff to today, where its workforce stands at over 200 professionals across 3 offices located in Kuala Lumpur, Kota Kinabalu and Penang. Since the establishment in 1999, our current clientele includes multinational companies, public listed companies, mutual funds and SMEs.
